

DESMOND'S NOTES

FUN With
SOUND
FX!

How to make a Cool
Monster growl effect:

what you need:

A coffee
Can (empty)
of something
shaped the
same

Something to record
with:

Microphone

- 1 Put the recording thing or microphone into the can and start to record

- 2 put your mouth over the can hole and leave space for an opening to cover with your hand

- 3 Growl into the can as you move your face and hand to cover and uncover the can as your growl. Play back to Scare makes AWESOME growls!!
