

Make Snoopy's Favorite Puppy Chow

Snoopy may be a dog, but we think he'd prefer this fun puppy chow over simple dog food. With an adult's help, make this easy sweet treat for you and your friends to enjoy.

INGREDIENTS: (for 12 servings) 3 cups Chex® Cereal (or comparable cereal), $\frac{1}{3}$ cup chocolate chips, $2\frac{1}{2}$ tablespoons peanut butter, $\frac{1}{2}$ cup powdered sugar

INSTRUCTIONS:

- 1 Pour cereal into a bowl.
- 2 Melt the chocolate over low heat, then add peanut butter.
- 3 Pour chocolate and peanut butter mixture over cereal and mix.
- 4 Put powdered sugar in a plastic bag, add cereal mixture, then shake it up! When the cereal is all coated, pour it on a sheet of waxed paper and let it cool. Store in airtight container (if there's any left!).
