## GROSS OUT!

Materials:

- 3 bowls
- 3 food items
- 1 daring friend

Ask a friend, “Want to feel the monster’s fingers?” Surely, they will say, “Yes!” Ask them to close their eyes and guide their hand into a bowl of wet carrots. “Ewww! It feels like the monster’s fingers!” Repeat with other items you find in your kitchen (e.g., a bowl of noodles for mummy guts, a piece of dried fruit for a ghou’s ear, 5 almonds for a witch’s fingernails, etc.).

## G-H-O-S-T

Materials:

- 2 or more players
- Basketball and goal (or any ball and cup)

Each player takes a turn shooting a basket. If they make it, they’re safe, and the next player must make the same shot. But if they miss, they collect a letter. The game continues until one player is haunted by all of the letters: G-H-O-S-T!

## HOUSEHOLD TREASURE HUNT

Materials:

- Treasure to hide (candy, stickers, etc.)
- A pencil and paper for writing clues
- 1 or more daring friends

Create and hide clever clues, each one leading to the next in a hunt around the house! Here’s an example... Clue 1: “It’s freezing in here!” *Aha! The next clue must be in the freezer!* Clue 2: “What a snooze!” *Aha! Run to bedroom.* And so on, until the final clue leads to the treasure!
