

# TIPS FOR PAPER DOLLS!

**Scissors:**  
Safety first!  
Be careful,  
take your time.

Ask someone to help you,  
if you're not allowed to use  
scissors. (...Like Lupin)

## Make your own clothes:

Flip a patterned piece  
of paper over and trace  
an outfit face down. Cut it  
out and you've got pajamas  
or a fancy new suit! (Or  
draw and color an outfit  
on the tracing!)

Cut traced  
outfits  
in half for  
shirts and  
pants.

**Hint:** Shine a flashlight behind the  
paper to trace exact collar  
lines, ties, and shirt hems!

## Puppets:

Glue a popsicle stick  
to the back of each  
doll, and you've got  
a little puppet to  
move around  
and voice!

## Boxes:

They're not  
just for naps  
anymore!  
Turn any box into  
a puppet theater.

**Puppet Theaters:** By cutting a window into a box, you can create a  
puppet theater! You can even make your own cardboard television  
and act out broadcasts inside! Delivery boxes, shoe boxes, and  
oatmeal containers all make great little theaters.

Make curtains  
for your theater  
by looping fabric over  
string and fastening it  
with glue, thread, or  
safety pins.

Decorate your theater with  
paint, crayons, craft paper,  
scraps of fabric, stickers—  
anything you have!
