

# LASER MOOSE

## Moose in Quicksand A game of tag

One person is chosen to be "it"- known as Bear.  
The other players are Rabbits running away from Bear.

If a Rabbit is tagged by Bear, they turn into a Moose stuck in quicksand and must lie on their backs with their arms and legs pointing up to the sky.

A Moose can be freed from the quicksand if a Rabbit tags them.

Play continues until all Rabbits are turned into Moose, or the game can be timed so more players get a chance to be a Bear.

With a group of seven or more, choose two people to be a Bear.
